

# 31<sup>DAILY</sup>

## Spring Cleaning Checklist: What You Should Clean Yearly

- wash windows, inside and out (hire a service or DIY)
- clean front door welcome mats (hose off and air dry)
- wipe down front door and polish kickboard and door handles
- clean and dust crown molding, baseboards, wall and ceiling corners
- dust lampshades (vacuum or try a lint roller)
- dust ceiling fans
- clean light switches
- clean doors for smudges and scuff marks
- clean and dust window blinds and drapes (vacuum or lint roller)
- wipe down cabinet surfaces in bathrooms and kitchen
- clean drawers
- dust bookcases
- polish wood furniture
- wipe down and vacuum furniture (underneath and don't forget the cushions too)
- vacuum mattresses, spot clean, sanitize with disinfectant spray and air dry
- wash all bed linens, including mattress pads, pillows, comforters, etc.
- deep clean floors, and grout
- shampoo carpet (hire a service or DIY)
- vacuum all rugs, cleaning both underneath the surface as needed
- vacuum and clean air vents
- change air/furnace filter
- clean dryer filters (use crevice tool and vacuum debris)
- deep clean dishwasher, particularly the filter and run a cycle with vinegar or a product like Cascade Dishwasher Cleaner
- deep clean oven and microwave (use a one part vinegar to 2 parts water mixture)
- clean brooms (wash bristle in warm soapy water or vacuum)
- deep clean refrigerator
